

Find Max a home

MAX has been a valiant servant of the kennel for more than two years and Selena Zammit is determined to repay that. Max is best known in the local greyhound fraternity as Bob's Your Dad (Bobniak-Aleta) the Syl Moore-owned winner of 18 and placed in 48 of his 119 race starts. In all he earned \$34,695 in stakes which equates to \$294 every time he started.

Which is why Selena is so adamant about finding a home for the grand old campaigner.

Max injured a hip in a recent Albion Park outing ending his race career.

He's been at the Zammit kennel since March 27, 2002. His Albion Park record was fine, winning nine races at headquarters and being placed 40 times there.

He also loved the Gold Coast track.

"I'm in the process of de-programming him at the moment and he will make an ideal house pet for anyone," said Selena.

The dog was to be desexed. Unfortunately Sel Moore cannot take the dog to his Upper Mt Gravatt home because he already has two there.

"He is fantastic around our kids at home and has settled in perfectly with the other animals we have," said Selena.

"Anyone interested in taking him, or knowing someone who might, can contact me."

Bob's Your Dad is a brindle dog, about 34kg.

The Zammit's number is (07) 38072203.
