ARE YOU THE REGISTERED BREEDER?

I have had a few inquiries lately about litters in respect of who is the Breeder if the owner does not whelp the litter.

The Authority recognises the Owner of the bitch as the Breeder of a litter unless a Registered Owner, Owner/Trainer or Syndicate/Conf lodge a Breeder's Authority signed by both parties with us.

If you are whelping a litter on behalf of a registered or licensed person as a favour or for payment this does not make you the breeder. A reminder for Breeders, any litter whelped on/after 1 July 2004 will need to be vaccinated before 12 weeks, minimum 3C level before we will register a litter.

The relevant paper work will be issued with the application to register a litter.

THE COST OF NAMING A GREYHOUND IN QUEENSLAND IS AS FOLLOWS:

QLD BRED GREYHOUND BEING NAMED BY BREEDER \$25

ALL OTHERS (INCLUDING INTERSTATE NAMINGS) \$37

There are forms out there in the greyhound world that show \$32.00, these forms were issued before the decrease/increase and we apologize for any inconvenience this may cause.

We will not send the naming and registration certificate out unless we have been paid the correct amount, we do however telephone the licensee concerned. We also refund for those who overpay.

RENEWALS

I take this opportunity to thank all licensees who responded to our request to lodge renewals by 1 June.

All applications for renewal should have been lodged with the Authority by now. We do not send reminder notices and if you're licence is not up to date, as at 1 July, nominations will not be accepted for your greyhounds.

If you are unsure of the changes to the licensing system please telephone the Authority we will be happy to explain the changes to you and confirm your licence/registration status.

PLEASE, PLEASE, PLEASE

remember to complete all forms (in black ink) and SIGN THEM before lodging.
