

Greyhound Adoption Program News

By SHEREE BUCKLEY

GAP attended the Gatton Show again this year from July 23-24 and had a great time.

The friendliness and positive comments were overwhelming.

And there is no doubt the dogs were a big success with all the visiting schools on the Friday.

Just set your eyes on the picture of Gap dog Buck with all his new friends. These children were a grade one class from Gatton State School.

The teachers also were very positive and helpful and we had a talk about greyhounds as racing dogs and their transition to a pet.

The kids and teachers were all very interested and willing to ask questions. This, I feel is another avenue Gap will have to put in place in the future. As we all know, we need to educate kids of today so they will understand greyhounds and either want to race or adopt them.

I would like to personally thank the volunteers who helped on the day and also Iris the secretary of the Gatton Show Society.

We will be back next year.

Amber has gone to reside at the Laidley Nursing Home. In the next addition we will do a follow up story of her.
