AGRA GREYHOUND RACING RANKINGS FOR JANUARY 2007

Listed below are the rankings as they stand at the end of January 2007. The ranked positions are determined by a points system applied to group races on a sliding scale of points first to eighth. After some consultation I have decided to post the points tally as well as the ranked position. Big Time Max is the early leader after he gained points in three group races in January. His major win the Group 1 Adelaide Cup.
