6th February 2007

“Nominations close for the 2007 Country Club Tasmania Launceston Cup”

Nominations closed today for the 2007 Group 2 Country Club Tasmania Launceston Cup and the club is delighted with the response. No less than 66 greyhounds nominating for the \$25,000 to winner event with the heats to be held at Tasman Park next Monday the 12th of February and the rich final the following Monday February 19th.

The time-honoured event one the oldest feature finals in Australia was first run in 1936 has no doubt seen its fair share of drama over that long period of time. They have had dead heat in 1942 and dual winners with Mystery Bridge 75/76 and the mighty Fine Horizon in 1999 and 2000. But we'll never forget last years final when we witnessed the barnstorming finish put in by Victorian Wongawillicath.

Wongawillicath runs down Killswitch last year
